II.1.4) Short description

Construction and Procurement Delivery (CPD), on behalf of the Participating Bodies listed in the Conditions of Contract are seeking to establish a Contract for the provision of Security and Ancillary Services at locations throughout Northern Ireland. Further details of the specific requirements at each premises or site are provided in the Building Specifications. This is a retender of the existing services which are due to expire on 31st August 2024. The Contractor will be required to: • engender and nurture a true spirit of partnership between the Contractor and the Client by providing a quality efficient service; • help provide a safe environment to enable the Client's staff to effectively deliver frontline services and for customers to avail of these services; • integrate environmental considerations and social benefits throughout the Contract; • work with the Client to transform the services over the period of the Contract maximising the potential for available technology and reducing the cost of security for both parties; and • to maintain a robust programme of contract monitoring to ensure effective delivery of Services. The key objectives of the Contractor will be: • To meet the Contract's Key Performance Indicators (KPIs) and deliver a quality Security and Ancillary service which complies with all relevant legislation, including Working Time Directives, Security Industry Licensing, Health and Safety, specific local security requirements, Health and Safety requirements, waste management / recycling etc. • To safeguard the Client's premises and their contents; • To enable the staff working within the premises to carry out their business functions effectively with minimum disruption; • To ensure that all services are operated in an efficient and cost effective manner; • To ensure that the Contractor's staff are well presented, clean and tidy, polite, of good character, respectful to others, willing to help cover the required hours and comply with local / on-site policies; • To report to the

nominated representative of the Client; • To implement the NICS Security Policies in line with the Security Policy Framework; • To offer continual advice to the Client on methods of introducing value for money and innovation into the delivery of Services; and • To ensure high levels of customer satisfaction.

II.1.5) Estimated total value

Value excluding VAT: £140,000,000

VI.3) Additional information

CPD, the Department for Communities, and the Participating Departments and Agencies / Bodies listed in Schedule 6 of the Commercial Conditions of Contract for Services, cannot provide any guarantee as to the level of business under this contract. The estimated contract values are broad estimates only; they include additional quantum for unforeseen demand and to future proof. The estimates are not deemed to be a condition of contract nor a guarantee of minimum demand or uptake. No compensation will be payable to a Contractor should the actual demand be less than that. stated... Contract monitoring: the successful Contractor(s) performance on the contract will be regularly monitored. Contractors not delivering on contract requirements is a serious matter. It means the public purse is not getting what it is paying for. If a Contractor fails to reach satisfactory levels of contract performance they will be given a specified time to improve. If, after the specified time, they still fail to reach satisfactory levels of contract performance, the matter will be escalated to senior management in CPD for further action. If this occurs and their performance still does not improve to satisfactory levels within the specified period, it may be regarded as an act of grave professional misconduct and they may be issued with a notice of written warning and notice of unsatisfactory performance, and this contract may be terminated. The issue of a notice of written warning and notice of unsatisfactory performance will result in the Contractor being excluded from all procurement competitions being undertaken by Centres of Procurement Expertise on behalf of bodies covered by the Northern Ireland Procurement Policy for a period of up to 3 years from the date of issue of the notice. . . The Authority expressly reserves the rights: (i) not to award any contract as a result of the procurement process commenced by publication of this notice; (ii) to make whatever changes it may see fit to the content and structure of the tendering competition; (iii) to award (a) contract(s) in respect of any part(s) of the services covered by this notice and (iv) to award contract(s) in stages. And under no circumstances will the Authority be liable for any costs incurred by Candidates.

VI.4) Procedures for review

VI.4.1) Review body

The UK does not have any special review body with responsibility for appeal/mediation

procedures in public procurement competitions. Instead; any challenges are dealt with by the High Court, Commercial Division, to which proceedings may be issued.

N/A

Country

United Kingdom

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

CPD will comply with the Public Contracts Regulations 2015 and where. appropriate, will incorporate a standstill period (i.e a minimum of 10 calendar days) at the point information on the award of the contract is communicated to tenderers. That notification will provide full information on the award decision. This provides time for unsuccessful tenderers to challenge the award decision before the contract is entered into.
