Options: Yes

Description of options

This contract is a call off arrangement with a not to exceed value of £3M for the initial period from Mar 2021 to Mar 2022.

The contract includes three one year optional extension periods with a not to exceed limit of £2M per annum until 31 Mar 2025.

The potential total contract value if all option periods are exercised is £9M

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

Aerospace's unique position as a Federally Funded Development and Research Centre (FFDRC) and their unique relationship with the US Government means they have access to non-commercially available data and technical expertise and are therefore prohibited from competing for work.

The applicable exemption regulation for this contract is PCR 2015 Regulation 32 Section 2 (b) (ii) 'competition is absent for technical reasons' as there is 'no reasonable alternative or substitute that exists and the absence of competition is not the result of an artificial narrowing down of the parameters of the procurement'.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section V. Award of contract

A contract/lot is awarded: Yes

V.2) Award of contract

V.2.1) Date of conclusion of the contract

3 March 2021
