Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Mersey Tidal Power Project - Front-End Engineering Design Services (FEED Services) - Phase 4

Reference number

DN764733

II.1.2) Main CPV code

- 71000000 - Architectural, construction, engineering and inspection services

II.1.3) Type of contract

Services

II.1.4) Short description

Liverpool City Region Combined Authority (LCRCA) is looking to progress a Front-End Engineering Design Services (FEED Services) Contract to further develop the Mersey Tidal Power Project (Project).

The Specification details the scope of the FEED Services, across a combination of project, commercial and technical aspects to enable a full technoeconomic development study of all aspects of the Project.

The FEED Services contract is to be performed as part of the Phase 4a Development activity on the Project, and in parallel with the Development Consent Order (DCO) Consenting activity, (performed by others)

The FEED Services contract will improve the specification of the scope of works through multi-discipline outline design and deliver a comprehensive approach to future contracting of the detail engineering and construction including a full cost estimate and schedule based on the configuration, scope, method and approach to Phase 5 Engineering and Phases 6-9 Construction, Testing and Commissioning.

The Specification is to be read in conjunction with other documents identified in the Tender Return.

It is important that the Tenderer (Consultant) recognises the breadth and depth of activity within the FEED Services Contract scope and is able to evidence that the extent of work is within their competence and capability.

II.1.5) Estimated total value

Value excluding VAT: £4,000,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 71000000 - Architectural, construction, engineering and inspection services

II.2.3) Place of performance

NUTS codes

- UKD7 - Merseyside

II.2.4) Description of the procurement
