## **Section II: Object**

### **II.1) Scope of the procurement**

#### **II.1.1) Title**

Mersey Tidal Power Project - Front-End Engineering Design Services (FEED Services) - Phase 4

Reference number

DN764733

#### **II.1.2) Main CPV code**

- 71000000 - Architectural, construction, engineering and inspection services

#### **II.1.3) Type of contract**

Services

#### **II.1.4) Short description**

Liverpool City Region Combined Authority (LCRCA) is looking to progress a Front-End Engineering Design Services (FEED Services) Contract to further develop the Mersey Tidal Power Project (Project).

The Specification details the scope of the FEED Services, across a combination of project, commercial and technical aspects to enable a full technoeconomic development study of all aspects of the Project.

The FEED Services contract is to be performed as part of the Phase 4a Development activity on the Project, and in parallel with the Development Consent Order (DCO) Consenting activity, (performed by others)

The FEED Services contract will improve the specification of the scope of works through multi-discipline outline design and deliver a comprehensive approach to future contracting of the detail engineering and construction including a full cost estimate and schedule based on the configuration, scope, method and approach to Phase 5 Engineering and Phases 6-9 Construction, Testing and Commissioning.

The Specification is to be read in conjunction with other documents identified in the Tender Return.

It is important that the Tenderer (Consultant) recognises the breadth and depth of activity

within the FEED Services Contract scope and is able to evidence that the extent of work is within their competence and capability.

#### **II.1.5) Estimated total value**

Value excluding VAT: £4,000,000

#### **II.1.6) Information about lots**

This contract is divided into lots: No

### **II.2) Description**

#### **II.2.2) Additional CPV code(s)**

- 71000000 - Architectural, construction, engineering and inspection services

#### **II.2.3) Place of performance**

NUTS codes

- UKD7 - Merseyside

#### **II.2.4) Description of the procurement**

Liverpool City Region Combined Authority (LCRCA) is looking to progress a Front-End Engineering Design Services (FEED Services) Contract to further develop the Mersey Tidal Power Project (Project).

The Specification details the scope of the FEED Services, across a combination of project, commercial and technical aspects to enable a full technoeconomic development study of all aspects of the Project.

The FEED Services contract is to be performed as part of the Phase 4a Development activity on the Project, and in parallel with the Development Consent Order (DCO) Consenting activity, (performed by others)

The FEED Services contract will improve the specification of the scope of works through multi-discipline outline design and deliver a comprehensive approach to future contracting of the detail engineering and construction including a full cost estimate and schedule based on the configuration, scope, method and approach to Phase 5 Engineering and Phases 6-9 Construction, Testing and Commissioning.

The Specification is to be read in conjunction with other documents identified in the Tender Return.

It is important that the Tenderer (Consultant) recognises the breadth and depth of activity within the FEED Services Contract scope and is able to evidence that the extent of work is within their competence and capability.

**II.2.5) Award criteria**

Quality criterion - Name: Quality / Weighting: 70

Price - Weighting: 30

**II.2.6) Estimated value**

Value excluding VAT: £4,000,000

**II.2.7) Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months

18

This contract is subject to renewal

No

**II.2.10) Information about variants**

Variants will be accepted: No
