### **Scope**

### **Description**

Derry City and Strabane District Council is seeking tenders for the design, supply, installation and commissioning of electric vehicle (EV) charging infrastructure for their Skeoge and Strahans Road Fleet depots. This is set to be the first EV infrastructure to be installed at the depots, and will be critical to the operation of the council's 6 new electric vans. The Council seeks a future-proof EV charging solution that supports fleet electrification, minimises lifecycle cost, and integrates seamlessly with current and future on-site renewable generation and energy storage. Your submission must be submitted via etendersNI, via this CFT. No other method of submissions will be accepted. Please refer to the CfT documents for further detail.
