II.2.4) Description of the procurement

This procurement will identify a Bidder who will deliver a Community Wellbeing Service.

This proactive prevention provision will aim to meet the needs of adults who are at risk of and/or who have multiple long-term conditions/health and care needs and who may not be engaging with other health services.

The service will commence 1st October 2024 for 3 years with the optional extension period of 2 x 24 months. Maximum budget £900,000 per annum, £6,300,000 for the total 7 years length.

The opportunity to bid is open until 4th April 2024 at 14:00 hours.

The HIOW ICB Strategy lays out five main priorities, one of which is the focus on 'Good health and proactive care.'

With an ever-increasing ageing population and the gap between health span and life span widening, focussing on a proactive and preventative approach to health care is essential if we are to tackle some of the challenges health and care systems are experiencing.

The strategy includes aims around:

- Providing proactive, joined up care for people with complex needs, including frailty.
- Supporting healthy ageing and supporting people living with the impact of ageing
- Joining up resources for greater impact on housing, mental health, refugees, homeless, rough sleepers and supporting more deprived communities

The tender documents can be accessed as follows:
