Body governed by public law

I.5) Main activity

General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Design consultancy services for the Mersey Tidal Power Project conceptual design.

Reference number

DN591939

II.1.2) Main CPV code

- 71320000 - Engineering design services

II.1.3) Type of contract

Services

II.1.4) Short description

The purpose of this procurement is to procure a Technical Advisor (TA) and Designer to advise on and further develop the conceptual design for a potential tidal range energy scheme in Merseyside.

The current conceptual design was developed as elemental structures that can now be developed further to schematic design concept allowing review and development including overall design and spatial requirements, materials and embedded carbon, method of construction, construction risks as well as construction costs.

The services will generally entail three parts;

- reviewing the existing designs, construction methodology and the cost book;
- recommending improvements with the aim of reducing construction risks, identifying design gaps and improving construction cost estimates;
- updating the design package including, the drawings, 3D models, bill of materials, construction programme and cost book.

Full details of the opportunity are provided in the Tender documents via www.the-chest.org.uk

II.1.5) Estimated total value

Value excluding VAT: £230,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 71000000 - Architectural, construction, engineering and inspection services
- 73000000 - Research and development services and related consultancy services
- 79415200 - Design consultancy services

II.2.3) Place of performance

NUTS codes

- UKD - North West (England)
