The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated procedure without publication of a contract notice

- No tenders or no suitable tenders/requests to participate in response to negotiated procedure with prior publication of a contract notice
- The products involved are manufactured purely for the purpose of research, experiment, study or development
- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

It is considered that the contract can be placed using the negotiated procedure without prior publication of a contract notice pursuant to Article 28(1)(e) of Directive 2009/81/EC (Regulation 16(1)(a)(ii) of the Defence and Security Public Contracts Regulations 2011) for technical reasons. The Technical reasons being that LMUKA are deemed to be the only competent and viable organisation within the UK market to carry out the technical work needed to meet the requirements. LMUKA have successfully met the requirement for the last 50 years and throughout this period LMUKA has built up a significant knowledge base, both in Suitably Qualified Experienced Personnel (SQEP) working the programme, and in auditable documentation, processes and retained data. It would take a significant period (10 years or more) for another organisation to build a comparable knowledge base.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

Section V. Award of contract/concession
