Tender

## **T26-020ENV Tender for the Design, Supply, Installation and Integration of Solar Photovoltaic and Battery Energy Storage for 2 Council Depots**

Derry City and Strabane District Council

UK4: Tender notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2026/S 000-007062

Procurement identifier (OCID): ocids-h6vhtk-060f97

Published 27 January 2026, 12:24pm

### **Scope**

### **Reference**

T26-020ENV

### **Description**

Derry City and Strabane District Council invites tenders from suitably qualified and experienced contractors for the supply, installation, commissioning, and handover of solar photovoltaic (PV) and battery energy storage solutions for its two Fleet depots. Each of the two fleet depots have ancillary offices, whilst Strahans Road also operates as a Recycling Centre. This tender will take the form of two Lots therefore interested suppliers are requested to provide prices on a lot-by-lot basis. Bidders can apply for any or all of the Lots. Bidders should note that delivery of this project is subject to external funding and the delivery timeframe has been set with funding timescales in mind. Should adequate funding be secured, the project would support the Council's transition to a low-carbon fleet and estate, supporting emissions reduction and long-term energy cost savings. The 2 Lots encompass the design (where required), installation and commissioning of roof-mounted

solar PV arrays and associated battery storage systems to deliver fully operational systems compliant with all relevant standards and regulations. Your submission must be submitted via etendersNI, via this CFT. No other method of submissions will be accepted. Please refer to the CfT documents for further detail.

### **Total value (estimated)**

- £240,000 including VAT

Below the relevant threshold

### **Contract dates (estimated)**

- 27 February 2026 to 31 March 2026
- 1 month, 2 days

### **Main procurement category**

Works

### **CPV classifications**

- 45310000 - Electrical installation work
- 45314300 - Installation of cable infrastructure
- 45230000 - Construction work for pipelines, communication and power lines, for highways, roads, airfields and railways; flatwork
- 09331200 - Solar photovoltaic modules

### **Contract locations**

- UKN0A - Derry City and Strabane
- 

## **Lot 1. Design, supply, installation and integration of a battery-ready, grid-connected Solar Photovoltaic (PV) system**

### **Description**

Derry City and Strabane District Council is seeking tenders for Lot 1 - for the design, supply, installation, testing and integration of a battery-ready, grid-connected Solar Photovoltaic (PV) system for its Skeoge and Strahans Road depots.

### **Lot value (estimated)**

- £120,000 including VAT

### **Same for all lots**

CPV classifications, contract locations and contract dates are shown in the Scope section, because they are the same for all lots.

---

## **Lot 2. Design, supply, installation, commissioning, and integration of a scalable Battery Energy Storage System (BESS)**

### **Description**

Derry City and Strabane District Council is seeking tenders for Lot 2 - for the design,

supply, installation, commissioning and integration of a scalable Battery Energy Storage System (BESS) for their Skeoge and Strahans Road depots.

### **Lot value (estimated)**

- £120,000 including VAT

### **Same for all lots**

CPV classifications, contract locations and contract dates are shown in the Scope section, because they are the same for all lots.

---

## **Participation**

### **Conditions of participation**

**Lot 1. Design, supply, installation and integration of a battery-ready, grid-connected Solar Photovoltaic (PV) system**

**Lot 2. Design, supply, installation, commissioning, and integration of a scalable Battery Energy Storage System (BESS)**

Please refer to the CfT documents for further detail.

### **Particular suitability**

**Lot 1. Design, supply, installation and integration of a battery-ready, grid-connected Solar Photovoltaic (PV) system**

**Lot 2. Design, supply, installation, commissioning, and integration of a scalable Battery Energy Storage System (BESS)**

Small and medium-sized enterprises (SME)

---

## **Submission**

### **Enquiry deadline**

13 February 2026, 12:00pm

### **Tender submission deadline**

20 February 2026, 12:00pm

### **Submission address and any special instructions**

[www.etendersni.gov.uk](http://www.etendersni.gov.uk)

### **Tenders may be submitted electronically**

Yes

---

## **Award criteria**

Please refer to the CfT documents for further detail.

---

## **Procedure**

## Procedure type

Below threshold - open competition

---
