- 80000000 - Education and training services

II.2.3) Place of performance

NUTS codes

- UKL21 - Monmouthshire and Newport

Main site or place of performance

To be delivered within Monmouthshire County Council boundary

II.2.4) Description of the procurement

Monmouthshire County Borough Council are carrying out this Pre Market Engagement process concerning the delivery of the UK Government Multiply programme for Monmouthshire County Councils Economy, Employment & Skills Service

A Pre-Market Engagement event will be held in Usk County Hall, NP15 1GA on Friday 31 March 2023 at 09:30 – 11:00.

The Multiply programme forms part of the UK Government's Shared Prosperity Fund, that has been developed to support the government's wider commitment to level up all parts of the UK and provides funding for local investment between 2022 and 2025 and aims to help transform the lives of adults by improving their functional numeracy skills through free personal tutoring, digital training, and flexible courses.

UKG Multiply Programme will run up until the 31st March 2025.

The eligible participants within Multiply are:

Adults 19+ who have not previously attained a Level 2/ SCQF Level 5 or higher maths qualification.

They can either be working towards a maths Level 2/ SCQF Level 5 or Functional Skills Qualification, need specific numeracy skills for their work or progression, or just want to brush up on the skills to help them get on in life and work.

The interventions within Multiply that we are looking to commission out are:

- 1) Courses designed to help people use numeracy to manage their money.
- 2) Activities, courses or provision developed in partnership with community organisations and other partners aimed at engaging the hardest to reach learners – for example, those not in the labour market or other groups identified locally as in need.

The four outcomes that will be used to measure the success of the delivery are:

Increased number of adults achieving maths qualifications up to, and including, Level 2 equivalents.

Increased number of adults participating in maths qualifications and courses up to, and including, Level 2 equivalents.

Improved labour market outcomes.

Increased adult numeracy (by supporting learners to improve their understanding and use of maths in their daily lives, at home and at work).

It should be noted that discussions regarding the exact scope of the Multiply programme are on-going at the point of drafting this notice.

The objectives of the Pre-Market Engagement Process are to:

- 1 Understand the current delivery landscape across the county.
- 2 Understand the potential opportunities and challenges to enhancing delivery in line with the eligible activities set out within the Multiply programme.
- 3 Understand the potential forms of contract that would be suitable for the delivery of the Multiply programme.
- 5 Understand the balance of cost, timescales and management implications for Monmouthshire County Council through different procurement structures.
- 6 Understand how the benefits from the Multiply programme can be maximised, working collaboratively MCC's Multiply delivery team.

Monmouthshire County Council are therefore looking to engage with suppliers/contractors who can provide all or part of the services required to deliver the Multiply programme within Monmouthshire County Council.

Total grant of GBP 1.1m available subject to central government sign-off of investment plans. Full details of the total grant funding available for this procurement shall be advertised in the contract notice and the tender documents.

II.3) Estimated date of publication of contract notice

1 June 2023

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes
