II.2.4) Description of the procurement

Lothian NHS Board require a modification to a contract to provide the continuation of services for GP IT Systems from their current contractor to cover an extended transition

period of 24 months to new services provided under the framework agreement by National Services Scotland ['NSS'], on behalf of entities constituted pursuant to the National Health Service (Scotland) Act 1978, local authorities, to entities constituted pursuant to the Public Bodies (Joint Working) (Scotland) Act 2014, the Scottish Prison Service, GP practices or premises from which GP or primary medical care services are provided, for GP IT Managed Services (OJEU 2019/ S024-053582).

This modification allows contractors that have been appointed to the framework agreement to achieve a specified extent of compliance with certain functional and non-functional requirements which were all clearly identified in the procurement documents. This validation exercise is agreed to take 12 months.

This modification then allows for 6 months for these practices to agree a new call-off contract following mini

competition according to the rules of the framework agreement. This modification allows for a further 6 months transition from old services to new.
