Forestry

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Westonbirt Arboretum Design Framework

II.1.2) Main CPV code

- 79822500 - Graphic design services

II.1.3) Type of contract

Services

II.1.4) Short description

We are looking to develop a framework for our everyday design works at Westonbirt Arboretum. This would likely be for an initial two years, with the option to extend for a further two years. At present we envisage potentially multiple lots covering different design work 'types'. The potential lots we have identified to date include the following: - Specialist digital design including animation and film - Design and production of print materials including illustration e.g. leaflets, banners, interpretative panels - Design and build projects for more complex onsite projects (where the designer will need fabrication expertise, including experience of fulfilling the duties of the Principal Designer role as specified under Construction Design and Management Regulations_

II.1.5) Estimated total value

Value excluding VAT: £200,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Maximum number of lots that may be awarded to one tenderer: 3

II.2) Description

- 34928470 - Signage

II.2.3) Place of performance

NUTS codes

- UKK13 - Gloucestershire

Main site or place of performance

Gloucestershire

II.2.4) Description of the procurement

Design and build projects for more complex onsite projects (up to £20,000), where the designer will need fabrication expertise, including experience of fulfilling the duties of the Principal Designer role as specified under Construction Design and Management Regulations

II.3) Estimated date of publication of contract notice

12 May 2023

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section VI. Complementary information

VI.3) Additional information

Before we put publish any future tender, we are interested in better understanding how the design market operates to ensure that are tender process works for suppliers as well as Forestry England. To this end we have developed a series of pre-tender questions to gather feedback directly from the market on our proposed tender approach. Responses will be used to hone our final tender documents and approach. Any supplier which expresses an interest in bidding for this will be invited to complete this pre-tender questionnaire. Expressions of interest should be made via the Delta link below.
