### **II.2) Description**

#### **II.2.2) Additional CPV code(s)**

- 45233226 - Access road construction work

#### **II.2.3) Place of performance**

NUTS codes

- UKL - Wales

#### **II.2.4) Description of the procurement at the time of conclusion of the contract:**

Phase 2 focused on civil engineering for our forest estate and natural woodlands; the lots included are Lot 3 – Primary Infrastructure and Associated Services and Lot 4 – Secondary Infrastructure and Associated Services.

The tender process was for Phase 2 only and specifically covers construction and maintenance of access tracks / roads, bridges, tracks, paths and other harvesting facilities within our managed forests; the complexities of such work require a high level of understanding, experience and commitment from the suppliers involved.

Phase 2 has two main lots. These have been broken down further into geographical zones (sub-lots), based on market research and business intelligence.

Lot 3 – Primary Infrastructure and Associated Services

Number of zones = 1 (All Wales)

Lot 4 – Secondary Infrastructure and Associated Services

Number of zones = 4 (North, Mid, South East & South West)

#### **II.2.7) Duration of the contract, framework agreement, dynamic purchasing system or concession**

Duration in months

54

In the case of framework agreements, provide justification for any duration exceeding 4 years

Original Framework was from April 2017 until April 2021. We have now extended the Framework until October 2021 due to Covid-19 issues which have hampered our ability to award a replacement Framework.

#### **II.2.13) Information about European Union Funds**

The procurement is related to a project and/or programme financed by European Union funds: No

## **Section VI. Complementary information**

### **VI.3) Additional information**

This is to provide notice that NRW has extended this Framework by 6 months from April 2021 until October 2021. This is due to the Covid-19 pandemic to allow continuity of services during Welsh Government restrictions. Work on the replacement Framework has also been hampered by the pandemic and this extension will give NRW time to ensure this is completed prior to the expiry of this extension.

## **VII.2) Information about modifications**

### **VII.2.1) Description of the modifications**

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

This is to provide notice that NRW has extended this Framework by 6 months from April 2021 until October 2021. This is due to the Covid-19 pandemic to allow continuity of services during Welsh Government restrictions. Work on the replacement Framework has also been hampered by the pandemic and this extension will give NRW time to ensure this is completed prior to the expiry of this extension.

### **VII.2.2) Reasons for modification**

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

This is to provide notice that NRW has extended this Framework by 6 months from April 2021 until October 2021. This is due to the Covid-19 pandemic to allow continuity of services during Welsh Government restrictions. Work on the replacement Framework has also been hampered by the pandemic and this extension will give NRW time to ensure this is completed prior to the expiry of this extension.

### **VII.2.3) Increase in price**

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £25,000,000

Total contract value after the modifications

Value excluding VAT: £26,000,000
