II.1.4) Short description

This notice gives prior information of a forthcoming procurement process that will establish a successor framework to the existing Southern Construction Framework (SCF).

The SCF framework supports construction projects and is available (but not limited) to all public sector clients across SW England, SE England and London. The framework and its predecessors have delivered in excess of £7,000,000,000 of construction work since 2006.

Contractors are invited to join an online Supplier Information Event on 12.4.2022 commencing at 10:30 am.

To book your place (2 per contractor) you can register here

<https://www.eventbrite.co.uk/e/scf-construct-framework-information-day-tickets-295079931017>

A recording of the event will be available afterwards at www.scfframeworks.org.uk

The intent is to brief contractors on the positioning of SCF in the market, our operating model and to advise on the SCF 5 open tender process due to start in June 2022, in accordance with the Public Sector Regulations

For the avoidance of doubt, the framework capped value of £4.5bn is intended to allow for exceptional circumstances without the need to re-procure the framework prematurely, for business planning purposes contractors should anticipate a target workload of 50% of the published maximum figures.
