#### **II.1.4) Short description**

This service is required to deliver the provision, fitting, monitoring, and removal of IUDs, IUSs and SDIs for contraception purposes for women of Leicestershire and Rutland.

The service will provide a number of clinics across the geography of the counties and ensure consistent and timely delivery of long-acting reversible contraception.

Service aims are:

- improve sexual health outcomes
- improve access to long-acting reversible contraception (LARC) to Leicestershire and Rutland residents as part of a range of contraceptive options

- to raise awareness of the benefits of Long-Acting Reversible Contraception (LARC) by providing high quality advice, support and information on the full range of contraception methods to all those on or seeking contraception
- to increase knowledge of LARC and mainstream contraception amongst healthcare professionals
- to increase knowledge of risks associated with sexually transmitted infections (STIs) and refer to appropriate services
- to help contribute to a reduction in the rate of unplanned pregnancies, particularly in under 18s.
- to enhance professional practice
- to enable Providers to be active participants in an integrated multi-disciplinary service to help ensure easy and swift access to advice
- to ensure that the availability of post-coital IUD fitting for emergency contraception be more adequately provided as another means of reducing unintended conceptions
