II.1.4) Short description

This service specification relates to the provision of a community vasectomy service. RCCG, HCCG and BD CCG are seeking suitably qualified and experienced providers to deliver a local community-based Vasectomy Service.

The service will provide a high quality and safe one or two stage, no-scalpel technique vasectomy under local anaesthetic, in accordance with the Royal College of Obstetricians and Gynaecologist guidelines, (RCOG), in a primary care setting to all adult males who request it, are of sound mind, not acting under external duress.

The main aims of the service are:

- To provide a high quality, cost effective, local community vasectomy service
- To provide services that comply with accepted best practice, relevant accreditation processes, relevant guidelines in clinical practice and robust governance arrangements.
- To provide a complete holistic patient focused care package; including pre and post-operative care, information, advice and counselling
- To provide an opportunity for men's Health Promotion

- To ensure consistent and continuous care between health professionals, and effective and efficient communication.
- To improve access and convenience for patients
- To improve patient choice
