II.2.4) Description of the procurement

This is a contract award notice. The contract provides early intervention & prevention of person centred, needs led support, contributing to improving the understanding of autism, provision of support strategies & information to improve quality of life. These in turn generate positive experiences that reduce the risk of crisis for the autistic young person & their family & prevent the escalation into adulthood where the impact on education, employment & social care are evident.

The maximum annual budget available is a maximum of £102 ,000

The contract aims are to:

Equip parents and other family members with specific knowledge and skills, so they can better support the CYP at home/in the community, providing a tangible benefit to the family as a whole.

Equip CYP with autism with specific knowledge and skills, so they can become more self-aware and improve their self-management skills.

Equip professionals with specific knowledge and skills, so that they can provide better services for families. Professionals include social care, health, educational and VCS workers.

General awareness raising of autism and ADHD with families and professionals supporting CYP (complementary/co-ordinated with the ICB commissioned activities relating to the CAMHS transformation.

Contribution to local strategic/special interest groups

Support at least 400 unique families per year, through direct work with parents and children, acknowledging that most families access different elements of the service at different times, & at least 100 professionals per year.
