Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

While there are several brokerage systems available on the market, they lack the level of customisation and advanced features required to meet our specific needs.

The ultimate outcome and goal of the partnership is to create a system which is customisable to the needs of each individual local authority rather than each local authority having to adjust their processes and ways of working to suit an off the shelf product.
