## **Section II: Object**

### **II.1) Scope of the procurement**

#### **II.1.1) Title**

Domestic Retrofit Supply Chain Market Intelligence & Skills Assessment

Reference number

DN601397

#### **II.1.2) Main CPV code**

- 79400000 - Business and management consultancy and related services

#### **II.1.3) Type of contract**

Services

#### **II.1.4) Short description**

The Greater South East Energy Hub (GSEEH) with support from Cambridgeshire & Peterborough Combined Authority (CPCA), its accountable body, wishes to appoint appropriately qualified contractor(s) to undertake domestic energy efficiency sector assessments to help understand: the current state of the sector, where support is needed to help grow this sector across the greater South East from a local authority level to local enterprise partnership (LEP) level to a regional (Hub-wide) level. This evidence-based report will inform the GSEEH's, and its stakeholders', delivery, and associated growth opportunities by leading thinking for the retrofit sector.

This procurement will consist of 2 Lots, covering the greater southeast region

1. Domestic Energy Efficiency Supply Chain – Market Intelligence – Lot 1
2. Skills for Energy Efficiency – Lot 2

#### **II.1.5) Estimated total value**

Value excluding VAT: £100,000

#### **II.1.6) Information about lots**

This contract is divided into lots: Yes

Tenders may be submitted for all lots

Maximum number of lots that may be awarded to one tenderer: 2

## **II.2) Description**

### **II.2.1) Title**

Lot No

0

### **II.2.2) Additional CPV code(s)**

- 79400000 - Business and management consultancy and related services

### **II.2.3) Place of performance**

NUTS codes

- UKH - East of England
- UKJ - South East (England)

### **II.2.4) Description of the procurement**

The Greater South East Energy Hub (GSEEH) with support from Cambridgeshire & Peterborough Combined Authority (CPCA), its accountable body, wishes to appoint appropriately qualified contractor(s) to undertake domestic energy efficiency sector assessments to help understand: the current state of the sector, where support is needed to help grow this sector across the greater South East from a local authority level to local enterprise partnership (LEP) level to a regional (Hub-wide) level. This evidence-based report will inform the GSEEH's, and its stakeholders', delivery, and associated growth opportunities by leading thinking for the retrofit sector.

This procurement will consist of 2 Lots, covering the greater southeast region

1. Domestic Energy Efficiency Supply Chain – Market Intelligence – Lot 1
2. Skills for Energy Efficiency – Lot 2

Contractors are invited to bid for either Lot or both Lots, depending on their relevant skills and experience. Given the interrelated subject matter of the two Lots, contractors should consider applying for both Lots. The overall objectives for this research project are to:

- Access the current capacity of the energy efficiency, low carbon heat and renewable energy sector against the level required for current and forecast delivery
- Assess the level of current skills provision for domestic retrofit against the level required for current and forecast future delivery.
- Assess the level of manufacturing capability, including availability of materials, and the impact to domestic retrofit delivery.
- Determine the key areas requiring intervention
- Build a 5-to-10-year legacy plan for strategy development

### **II.2.5) Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

### **II.2.6) Estimated value**

Value excluding VAT: £100,000

### **II.2.7) Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months

12

This contract is subject to renewal

Yes

Description of renewals

The initial Contract will be for a period of 12 months and will include an option for the Contract to be extend by up to a further 12 months making a total, maximum duration of 24 months

### **II.2.10) Information about variants**

Variants will be accepted: No

### **II.2.11) Information about options**

Options: Yes

Description of options

The Authority is seeking to award a service Contract to a Contractor for both Lot 1 and Lot 2 or to separate contractors for Lot 1 and Lot 2 respectively.

Should Lots 1 and 2 be delivered by separate contractors, the Authority would encourage both parties to consult with each other during the project as subject areas are interrelated.

### **II.2.13) Information about European Union Funds**

The procurement is related to a project and/or programme financed by European Union funds: No

---

## **Section III. Legal, economic, financial and technical information**

### **III.1) Conditions for participation**

#### **III.1.2) Economic and financial standing**

Selection criteria as stated in the procurement documents

#### **III.1.3) Technical and professional ability**

Selection criteria as stated in the procurement documents

### **III.2) Conditions related to the contract**

#### **III.2.3) Information about staff responsible for the performance of the contract**

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract

---

## **Section IV. Procedure**

### **IV.1) Description**

#### **IV.1.1) Type of procedure**

Open procedure

#### **IV.1.8) Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: Yes

### **IV.2) Administrative information**

#### **IV.2.1) Previous publication concerning this procedure**

Notice number: [2022/S 000-006314](#)

#### **IV.2.2) Time limit for receipt of tenders or requests to participate**

Date

15 April 2022

Local time

12:00pm

#### **IV.2.4) Languages in which tenders or requests to participate may be submitted**

English

#### **IV.2.7) Conditions for opening of tenders**

Date

15 April 2022

Local time

12:00pm

---

## **Section VI. Complementary information**
