II.1.4) Short description

The City of London Corporation (the City) invites Tenders for the provision of Compliance Monitoring Team (CMT) façade consultancy services at the City of London Salisbury Square Development (SSD).

The Salisbury Square Development (SSD) project is currently at Stage 5 and Mace has entered the JCT D&B (2016) contract as the Main Contractor since 27 January 2023. The substructural and concrete frame subcontracts have also been signed with piling works commenced.

The current contract practical completion date is 28 September 2026.

The Compliance Monitoring Team (CMT) is expected to review Contractor's design documents for compliance against the agreed Employer's Requirements (ERs) upon which the contract between the Contractor and the Employer is based.

The CMT services shall be provided to the Employer independently and/or without assistance from other design team members who maybe novated to the Contractor.

The CMT is expected to attend site on a regular basis to inspect the relevant works for general compliance with the Contract and the quality of the works.

The Employer, its representatives and other specialist consultants engaged separately by the Employer will also review and comment on compliance of the Contractor's design information and works undertaken against the ERs, along with the CMT services that are currently included in this requirement.
