02366678

Internet address(es)

Main address

<http://www.unitedutilities.com>

Buyer's address

<https://uk.eu-supply.com/ctm/Company/CompanyInformation/Index/43984>

I.3) Communication

Additional information can be obtained from the above-mentioned address

I.6) Main activity

Water

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

PRO004471-Supplies-Framework-Hire of Equipment

Reference number

PRO004471

II.1.2) Main CPV code

- 43000000 - Machinery for mining, quarrying, construction equipment

II.1.3) Type of contract

Supplies

II.1.4) Short description

The Company is looking at the strategy for equipment hire for AMP7 and AMP8. The Company has requirements for the hire of the following types of equipment:

Pumps

Generators

Cranes

Plant

Scaffolding

Dosing Equipment

Filters

Fluid Storage Tanks

Inlet Screens

Aerators

Tools (power tools / laboratory / insulated)

Centrifuges

Conveyors

Traffic control equipment

Uninterrupted Power Systems

Water Locating equipment

Access Platforms

Industrial Boilers

Storage containers

Safety Equipment

Hoses

Camera Equipment

The Company is carrying out some market research/engagement to try and put together some options for a hire strategy. It is currently not clear how many suppliers should be assigned to the hire contract, and whether it's possible to have a single supplier managed hire service, or if it makes better commercial sense to have a multi supplier arrangement.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 43000000 - Machinery for mining, quarrying, construction equipment
- 31120000 - Generators

- 42122000 - Pumps
- 42122230 - Dosing pumps
- 43830000 - Power tools
- 42161000 - Hot-water boilers
- 35113000 - Safety equipment
- 45500000 - Hire of construction and civil engineering machinery and equipment with operator
- 42912310 - Water filtration apparatus
- 43210000 - Earthmoving machinery

II.2.3) Place of performance

NUTS codes

- UKD - North West (England)

II.2.4) Description of the procurement

The Company is carrying out some market research/engagement to try and put together some options for a hire strategy. It is currently not clear how many suppliers should be assigned to the hire contract, and whether it's possible to have a single supplier managed hire service, or if it makes better commercial sense to have a multi supplier arrangement.

II.2.14) Additional information

The provision of an equipment hire service for water utility requirements.

II.3) Estimated date of publication of contract notice

9 April 2021

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

Section VI. Complementary information

VI.3) Additional information

If you have interest in the provision of, or experience in regards to equipment hire for water utility requirements, could you provide at a minimum the following information and submit to the United Utilities Regulatory Procurement Team mailbox:

RegulatoryProcurementTeam@uuplc.co.uk

- Company Name
- Contact details, including location telephone and e-mail address, main point of contact and position in Company
- An overview of the option to provide a single sourced managed solution for all equipment hire requirements (if offered)
- Advice to United Utilities from the market as to what potentially could be the optimal hire strategy based on our requirements
- Sub categories of equipment that the responder is interested in offering hire services for
