Description

Electricity supplies to several Redhill Academy Trust schools

The Redhill Academy Trust Dynamic Market for Electricity and Gas is a list of qualified suppliers who meet specific membership conditions and are eligible to participate in future procurements.

Unlike traditional frameworks or Dynamic Purchasing Systems (DPS), Dynamic Markets:

- Remain open to new suppliers at any time
- Can be used for any type of goods, services, or works (except concession contracts)
- Are not contracts themselves, but tools to facilitate procurement

For more details, please refer to the official guidance:

<https://www.gov.uk/government/publications/procurement-act-2023-guidance-documents-define-phase/guidance-dynamic-markets-html>

The aim is to ensure fair, transparent, and competitive access to electricity and gas supply contracts for Redhill Academy Trust. This Dynamic Market is also open to other contracting bodies.
