The contractor is an SME

No

V.2.4) Information on value of contract/lot (excluding VAT)

Total value of the contract/lot: £13,329,500

Section VI. Complementary information

VI.3) Additional information

HHP require suitably qualified and experienced contractors to provide Design and Build (D&B) services for the phased delivery of the Blackwater Housing Development, Newmarket, Isle of Lewis, for which detailed planning approval was granted on 2nd October 2020, ref 19/00554. The contractor's design and build proposal must include for 72 number various HHP standard house types as shown on the approved planning drawings, together with associated roads and parking within the site, connecting road to the existing Glean Dubh housing scheme with associated parking, street lighting, drainage, SUDS basin, utilities, site services, footpaths, site works, bus laybys, pedestrian footpath through the playpark connecting to the bus stop at Bridge Cottages, replacement footbridge within the playpark, replacement fencing along the South perimeter of the playpark, pedestrian road crossing at Bridge Cottages (the requirements for this should be

agreed with CNES Roads Department), landscaping, viewing platform and the peat restoration works to the north of the site all as shown on the approved drawings and noted on the Schedule of Conditions accompanying the planning approval. The contractor's proposal must also include for all other development costs, including statutory and professional fees.

Standard house type superstructure drawings are provided as part of the tendering package. It is the responsibility of the Contractor to design appropriate substructures to suit each house type, to design suitable mechanical and electrical equipment within each of the properties in accordance with HHP's specification and to obtain a building warrant for the development that meets the requirements of the existing planning permission. No substantial alterations to house type designs will be accepted.

(SC Ref:760267)
