Body governed by public law

I.5) Main activity

Health

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Maintenance of Filmarray torch systems

Reference number

PS4843/24

II.1.2) Main CPV code

- 50410000 - Repair and maintenance services of measuring, testing and checking apparatus

II.1.3) Type of contract

Services

II.1.4) Short description

The Biofire FilmArray Torch system has a comprehensive approach to molecular syndromic infectious disease testing. These platforms are an essential part of equipment for our acute diagnostic service in the network of laboratories, to enable a syndromic approach to testing, providing a rapid and accurate identification of the causative agents of upper respiratory tract infections, lower respiratory tract infections, bone and joint infections, central nervous system infections and sepsis diagnosis.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £260,595.90

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKL22 - Cardiff and Vale of Glamorgan

II.2.4) Description of the procurement

The Biofire FilmArray Torch system has a comprehensive approach to molecular syndromic infectious disease testing. This is the latest advancement in molecular infectious disease diagnostics, providing 6 times as more sample throughput per square foot of benchtop space.

These platforms are an essential part of equipment for our acute diagnostic service in the network of laboratories, to enable a syndromic approach to testing, providing a rapid and accurate identification of the causative agents of upper respiratory tract infections, lower respiratory tract infections, bone and joint infections, central nervous system infections and sepsis diagnosis

We propose to undertake a direct award to BioMerieux UK Limited as they are the Original Equipment manufacturer

II.2.5) Award criteria

Price

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure
