Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Negative Pressure Actinide Handling Glovebox

Reference number

3153/DM

II.1.2) Main CPV code

- 38000000 - Laboratory, optical and precision equipments (excl. glasses)

II.1.3) Type of contract

Supplies

II.1.4) Short description

A glovebox system is required to set-up and perform aqueous corrosion experiments under conditions relevant to the subsurface. It must be clearly demonstrated that the system outlined in the tender document complies with a recommendation document from a recognised regulatory body with responsibility for providing guidance on the design of gloveboxes for the handling of radioactive materials.

Clear statement must be made in the tender response as to any additional equipment or services which must be provided by The University of Sheffield to enable the system to be commissioned and function to specification.
