Section II: Object

II.1) Scope of the procurement

II.1.1) Title

2249 Select List Framework for Highway Works 2021

Reference number

DN536727

II.1.2) Main CPV code

- 45000000 - Construction work

II.1.3) Type of contract

Works

II.1.4) Short description

Lincolnshire County Council will be tendering for a Select List Framework for Highway Works contract.

These proposed framework arrangements will cover the maintenance and improvement of parts of the Lincolnshire highway network covering highway and structural maintenance, new works and other specialist services. Works within the highway may also be undertaken for any of the District Councils but Lincolnshire will remain the lead authority. Drainage works may involve activities off the highway by agreement with relevant owners. This framework will also be used to provide a tender list for Section 278 work should developers require this service.

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for maximum number of lots

2

Maximum number of lots that may be awarded to one tenderer: 2

The contracting authority reserves the right to award contracts combining the following lots or groups of lots:

Candidate may apply for inclusion in more than one Lot but may only apply for one of the two financial categories within General Works (Lots 1 and 2) as well as Lot 3. Candidates may be successful in achieving inclusion two lots as a maximum (either Lot 1 or 2 as well as Lot 3). It is anticipated that five contractors will be awarded a place on the framework for each lot.

II.2) Description

II.2.1) Title

General Works £0- £1.5m

Lot No

1

II.2.2) Additional CPV code(s)

- 45000000 - Construction work

II.2.3) Place of performance

NUTS codes

- UKF3 - Lincolnshire

II.2.4) Description of the procurement

Typical Schemes are likely to include a combination of the following disciplines; maintenance works, junction improvements, drainage works, bridge refurbishments, town centre improvement works and traffic signal installations. The locations may be in urban or rural Lincolnshire, on any category of road and traffic management measures are likely to be road closures, temporary traffic lights or give and take.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.9) Information about the limits on the number of candidates to be invited

Maximum number: 5

Objective criteria for choosing the limited number of candidates:

Candidates must meet the minimum standards detailed in the SQ. Responses to certain SQ Questions will be assessed on a 'Pass/Fail' basis. Responses to other SQ Questions will be scored and weighted

The Council intends to invite the top 5 candidates who have all passed the relevant questions and have achieved the highest scores in the scored assessment to submit a tender."

Full details of the minimum standards, scored questions and weighting process are fully detailed within the procurement documentation

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2) Description

II.2.1) Title

General Works £1.5m- FTS Limit

Lot No

2

II.2.2) Additional CPV code(s)

- 45000000 - Construction work

II.2.3) Place of performance

NUTS codes

- UKF3 - Lincolnshire

II.2.4) Description of the procurement

Typical schemes will be for creation of new infrastructure/assets as well as infrastructure improvements. Multifaceted works likely to include construction of roundabouts, access roads to development sites, major widening, dualling of short sections of highway, incorporating drainage (foul and surface water), culvert/small bridge construction, traffic signal provision, street lighting and co-ordination of service diversion/installation. These projects are likely to be on A or B class roads with major traffic management implications.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No
