Section VI. Complementary information

VI.3) Additional information

Please note that any content received via response to this Notice will be used purely for information purposes only and will not be deemed as forming part of any proposed bid now, or any potential future tender. This Notice does not constitute a call for competition to procure any services, supplies or works mentioned in this Notice and Network Rail will not accept any proposals offered in response to this Notice. Network Rail is not liable for any costs, fees, or expenses incurred by any party in replying to or attending any Notice event. Any procurement of any services, supplies or works by Network Rail will be carried out in accordance with the provisions of the Utilities Contracts Regulations 2016, as updated from time to time.

Network Rail is committed to ensuring fairness, openness and transparency, and to following UK procurement regulations. The Periodic Indicative Notice issued does not constitute any commitment to undertake any procurement in the future. Interested parties will not be prejudiced by any response or failure to respond to the PIN event and a response to this PIN does not guarantee any invitation to participate in this event or any future procurement.
