Description

The London Borough of Bromley will be holding an on-line meeting via Teams on Thursday 6th March 2025 from 13.00 to 15.00 to update providers following the Market Engagement Event held on 12th February 2025. This will be an opportunity for commissioners to update providers on the specification and procurement process and further understand the Council's vision for care and support services in the five Extra Care Housing schemes.

This event is not restricted to providers who attended the original event but is open to any supplier who has the experience to deliver care and support in this setting.

If you would like to attend this event, please email: procurement@bromley.gov.uk

Extra Care Housing provides a way for people aged 55+, with care and support needs that lead to the person requiring support to continue living independently within their own home, and reduce the need to move to residential care.
