Gloucestershire County Council grounds maintenance informal drop-in engagement

Description

Gloucestershire County Council are looking to procure the grounds maintenance services of its schools and corporate estate this year. Our current arrangements end on the 31st March 2026 and we are currently planning the way we structure the contract to encourage bidders.

I'd like to invite you to an informal drop-in session at Shire Hall on Wednesday 26th March for you to discuss this with us any time between 10.30am and 4.00pm.

It will provide us with an opportunity to see how many of you are interested, and also to understand the changes required to reduce barriers you may have faced in past procurements exercises.

If you cannot attend in person, please do contact me by email or phone.

On arrival please telephone 07770 522954 for access into the building.
