II.1) Scope of the procurement

II.1.1) Title

Lift Maintenance Contract for NGH & KGH

Reference number

DN536312

II.1.2) Main CPV code

- 50000000 - Repair and maintenance services

II.1.3) Type of contract

Services

II.1.4) Short description

In tendering for the maintenance contract, the Lift Contractor shall provide maximum degree of full comprehensive cover for the lift installations, based on full schedules of work, which are designed to act in addition to the Lift Contractor's set of procedures for having the best level of preventive service care. The contract as set out also requires full breakdown cover throughout the full 24 hours of each and every day, including all Public holidays and the replacement and repair of components for the full term of the project as indicated herein. Call outs will always be logged by the Trust's help desk or an authorised representative.

The Lift Contractor shall note that separate costs are required within the tender documents covering SAFed Supplementary inspections/tests. Certification shall be provided to the Purchaser and also displayed within the machine room.
