Water

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Maintenance Excellence – Predictive Technology Tools

Reference number

PRO004540

II.1.2) Main CPV code

- 42600000 - Machine tools

II.1.3) Type of contract

Supplies

II.1.4) Short description

As United Utilities move towards a more proactive and preventative state of maintenance we are looking to equip our Field Service Engineers with a tool kit to enable this.

The procurement will cover the sourcing of vibration monitors, thermal imaging cameras and drive belt/pulley laser alignment tools.

Before this procurement is published to the market we wish to gain feedback on the proposed terms and conditions that will cover the agreement. By undertaking this pre market research, the Company can then evaluate the current market position and identify whether the market will accept this contract favourably.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 38434400 - Vibration analysers
- 38651000 - Cameras
- 42610000 - Machine tools operated by laser and machining centres

II.2.3) Place of performance

NUTS codes

- UKD - North West (England)

II.2.4) Description of the procurement

The procurement will consist of requesting the bidder to supply the required goods for each lot under the proposed agreement.

- Handheld Vibration Monitor
- Handheld Thermal Imaging Camera
- Drive Belt/Pulley Laser Alignment

The information requested is purely for information only and to assess the current market position in relation to the acceptance of this contract.

The proposed terms and conditions attached to this PIN included some of the key terms that we would like the market to review and provide feedback on. It is worth noting that these are NOT the full and final terms.

II.2.14) Additional information

This PIN is a request for information only at this stage. A future procurement is planned and we estimate the Contract Notice will be published April 2022

II.3) Estimated date of publication of contract notice

11 April 2022

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

Section VI. Complementary information

VI.3) Additional information

PIN Closing Date 28/03/2022
