For this reason, the local bus service contracts are being tendered on a minimum cost basis only, with the Authority taking the revenue risk. Contracts are being tendered on a like-for-like basis, based on pre-Covid (February 2020) timetables to provide reassurance for the travelling public.

Tenderers are invited to bid for one or more of the 16 Lots, but single provider can only be awarded up to 11 lots.

The anticipated contract commencement date is 1st August 2022. The contract will be for 2 years with an option to extend for another year.

Tenders must be submitted electronically by the deadline set. Summary of documents to be submitted with your Tender can be found under 'Submission Checklist' at the end of the Invitation to Tender (ITT) document.

Bidders who are unsuccessful shall be informed by LCC as soon as possible after the decision has been made as to the reasons why the applicant was unsuccessful. Any such action must be brought within the applicable limitation period. Where a contract has not been entered into, the Court may order the setting aside of the award decision or order for any document to be amended and may award damages, make a declaration of ineffectiveness, order for a fine to be paid, and/or order the duration of the contract be shortened.
