PLEASE NOTE, THIS TENDER (INCLUDING THE TENDER DOCUMENTS) IS RESTRICTED TO ONLY THOSE ORGANISATIONS THAT HOLD AN OFGEM GAS SUPPLY LICENCE.

ESPO are seeking to appoint a single supplier to a Framework covering the supply of mains gas and associated services. ESPO will act the intermediary to purchase gas on behalf of customers from across the public sector.

ESPO's current portfolio is approximately 6,000 sites.

To tender:

(a) Go to <https://www.eastmidstenders.org/>; (b) Register (if not already registered on ProContract); (c) Search for tender opportunity '192_27' (via "View Opportunities" from the 'EastMidsTenders' Portal); (d) Express an interest (if not already completed via the previously Published PIN); (e) Please refer to the below regarding access to the tender documents (will only be granted by ESPO once a Confidentiality Agreement has been completed and returned).

ESPO will impose on economic operators requirements aimed at protecting the confidential nature of information made available throughout the procurement procedure (as permitted by Regulation 21(3)) and, before receiving that information, economic operators will be required to complete and return a Confidentiality Agreement.

In the first instance, economic operators MUST complete an Expression of interest ('register interest') for this tender opportunity (as detailed above, and if not already completed via the previously Published PIN), after which you will be able to access the Messages area on the eProcurement Portal (ProContract).

To request access to the Tender documents, you MUST submit a Message on the eProcurement Portal for this Opportunity / Activity, confirming your Company Name and Registration Number. Upon verification of this information (including that an OFGEM Gas Supply Licence is held), ESPO will issue the Confidential Agreement (via the eProcurement Portal Messages), for this to be signed and returned. Access to the Tender documents will only be granted once this has been completed.
