II.2.4) Description of the procurement

The Rapid Personalised Care Service (RPCS) provides packages of care within 48 hours of accepting a referral for patients on the end-of-life pathway and will refer post 12 weeks patients to the CHC fast track service between week 6-8. This ensures that only the

appropriate cohort of patients use the CHC fast track service. This service ensures that patients on this pathway are cared for in their preferred place of care and preferred place of death when indicated as home in their advanced care plan. The service also ensures: -

- Patients and carers can access other wellbeing services provided by the Hospices.
- Patients, carers, and families can access bereavement services.
- Support earlier discharges from hospital and provide agreed packages of care within 48 hours.
- Prevention of non-elective admissions.
- Supports patients to be managed within the community.

The RPCS service is awarded to two Providers, Rennie Grove Peace Hospice with a value of £1,515,729 per annum and Hospice of St Francis with a value of £184,799 per annum.

To confirm as per the PSR direct award process C, the current provider is satisfying the existing contract, delivering a good service, meeting all KPIs, with no quality concerns and good outcomes and has received very good feedback from GPs, patients and wider system providers. The service providers are likely to satisfy the new contract, and the proposed contracting arrangements are not changing from the existing contract.
