Description

The City of Doncaster Council (CDC) is holding a Market Engagement Event for providers of Domiciliary Care Services across the City of Doncaster. The aim of the event is to discuss the future procurement of Domiciliary Care in the city of Doncaster, with current arrangements coming to an end on the 31st October 2025. It is anticipated that a formal procurement process will be undertaken to establish a Light Touch Flexible Framework Agreement in line with the new Procurement Act 2023. Procurement of the Framework Agreement is anticipated to begin from April 2025. The Market Engagement Event will offer an opportunity for interested providers to hear about CDC's vision for Domiciliary Care, and also to share details of the process to procure these services. Providers are reminded that they will need to Register their Organisation on the Central Digital Platform in order to bid for services as required by the Procurement Act 2023
