The Health Board has historically had significant gaps in capacity and demand across a number of specialties, which have been previously managed through short term solutions

such as waiting list initiatives, weekend working and outsourcing high levels of activity to Independent Providers using non-recurrent funding.

The impact of severely reduced theatre activity in the Health Board during the Covid19 pandemic has worsened the position to the point where traditional solutions to lengthy and high-volume waiting lists are insufficient and

undesirable.

SB UHB are looking to direct award a contract for the use of Facilities only with Parkway Clinic.

Theatres will be needed for a range of specialities including but not limited to:

- Oral Maxillo Facial Surgery
- Oral soft tissue excisions/ biopsies
- Extraction and surgical removal of teeth
- Enucleate cysts
- Apicectomy of teeth and removal of metalwork/plates.

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

Given the need to address the significant increase in patient waiting lists. SB UHB require additional theatre capacity.

The Health Board has explored various options to increase theatre capacity. This proposed award is a part of a range of measures being implemented. Given the urgent need to prioritise patient care and the lack of an existing contract/framework agreement being available, several providers were engaged with to establish their capacity to support the Health Boards need. It was also acknowledged that providers premises would need to be located within or close to the Health Board to enable efficient care to patients. Of those providers engaged with only Parkway Clinic were able to provide capacity.
