II.1.4) Short description

Southampton City Council would like to award a contract for a Breastfeeding Support Service to support families in Southampton in the maximisation of breastfeeding. The service sought will work closely with:

- Maternity services to maximise breastfeeding initiation and to support mothers in the first few days of breastfeeding.
- Sure Start/Family Hubs.
- Integrated 0 - 19 services in Southampton to ensure that there is effective ongoing support that helps women continue and maintain breastfeeding.
- Other local community services in the Southampton area to ensure parents/families have enough information to support their breastfeeding journey and normalise breastfeeding in the City.

The Service Provider will provide a Breastfeeding Support Service in Southampton. The Service Provider will develop an innovative pattern of, and approach to, service delivery in order to achieve and support increased rates of breastfeeding 10-14 days, and at 6 - 8 weeks. Services will include a menu of provision, which must encompass a peer support service, support to breastfeeding groups and the coordination of scheme to welcome breastfeeding mothers and their babies.

Section VI. Complementary information

VI.3) Additional information

This is a Provider Selection Regime (PSR) award notice, following conclusion of the standstill period. The awarding of this contract is subject to the Health Care Services (Provider Selection Regime) Regulations 2023. For the avoidance of doubt, the provisions of the Public Contracts Regulations 2015 do not apply to this award. No representations were made during the standstill period.

There were no declared actual or potential conflicts of interest of individuals making the decision.

The Key Criteria are as stated below for this contract:

Criterion 1: Quality and Innovation

Criterion 2: Integration, collaboration, and service sustainability

Criterion 3: Improving access, reducing health inequalities and facilitating choice

Criterion 4: Value

Criterion 5: Social Value

The rationale for choosing the most suitable provider, The Breastfeeding Network, was confirmed under the requirements of Direct Award Process C: The existing provider is satisfying its existing contract, will likely satisfy the new contract to a sufficient standard, and the proposed contracting arrangements are not changing considerably

The Provider also met each of the Key Criteria.
