The procurement included 2 Lots, where only one Lot would be awarded following the

final assessment.

- Lot 1 - Exclusive Award
- Lot 2 - Shared Award

The Company assessed Lot 1 in order to establish the overall most economically advantageous solution. The Company's approach was to award Lot 1 based on objective criteria:

- Ability to provide the highest volume of Payment Outlets to UU Customer locations
- Demonstrate the ability to deliver excellent Customer Service, in particular to resolve Customer payment queries and to identify Customer needs
- The lowest assessed total cost will achieve the maximum score

As the above criteria was not fully met in relation to the volume of Payment Outlets, the Company assessed Lot 2 to determine that the award could be made based on the same objective criteria
