Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Community Infection Prevention and Control (CIPC) Service

II.1.2) Main CPV code

- 85141220 - Advisory services provided by nurses

II.1.3) Type of contract

Services

II.1.4) Short description

The CIPC service plays a vital role in preventing and controlling the spread of infectious diseases in community settings, particularly among vulnerable groups such as those in care homes and educational institutions.

The service provides advice, training, and outbreak response, working closely with partners like the UK Health Security Agency and Greater Manchester Integrated Care.

The service is required to maintain high standards of infection prevention and control to safeguard public health and ensure the continuity of essential services.
