I.2) Information about joint procurement

The contract is awarded by a central purchasing body

I.4) Type of the contracting authority

Regional or local authority

I.5) Main activity

General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Supply of Social Care Case Management Solutions Software

Reference number

1420

II.1.2) Main CPV code

- 48100000 - Industry specific software package

II.1.3) Type of contract

Supplies

II.1.4) Short description

Offers are sought in connection with the establishment of a collaborative arrangement for the provision of a social care case management system solution.

Under the resultant framework suppliers will be required to provide software and related ancillary services, to include configuration, installation and commissioning of systems, ongoing support and maintenance.

The solution will include functionality to support case management for adults, children, criminal justice and finance in Scotland. A key part of the resultant Framework Agreement will be to further accelerate the development of open systems, appropriate data sharing and the interoperability of IT systems so that services can be delivered efficiently and respond more flexibly to the needs of citizens and businesses. The solution offered must comply with applicable Law and Standards, and must be GDPR compliant.

II.1.6) Information about lots

This contract is divided into lots: Yes

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £28,000,000

II.2) Description

II.2.1) Title

On-premise installation (council datacentre or council's third party cloud-based datacentre)

Lot No

1

II.2.2) Additional CPV code(s)

- 48517000 - IT software package
- 48000000 - Software package and information systems

II.2.3) Place of performance

NUTS codes

- UKM - Scotland

II.2.4) Description of the procurement

A software solution to be installed in the council datacentre or a council's third party cloud-based datacentre that can deliver a social work care case management system including a self-directed support capability for citizens to improve the impact that care and support has by

helping them to choose and control what type of social care services they get, when and where they get them, and who provides them. In conjunction with this, the solutions offered will support the digital capability for health and social care professionals involved in the direct delivery

of care – to be able safely and securely access, update and share relevant information about the individual being cared for. It will encourage the use of decision support tools and services to support frontline practice, self-management and shared decision making, whilst establishing and implementing the standards required to deliver interoperability and appropriate information sharing across different health and care systems.

II.2.5) Award criteria

Quality criterion - Name: Technical / Weighting: 70

Price - Weighting: 30

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2) Description

II.2.1) Title

Supplier hosted application (supplier's datacentre or suppliers third party cloud based datacentre)

Lot No

2

II.2.2) Additional CPV code(s)

- 48517000 - IT software package
- 48000000 - Software package and information systems

II.2.3) Place of performance

NUTS codes

- UKM - Scotland

II.2.4) Description of the procurement

A software solution to be hosted in a supplier's datacentre or supplier's third party cloud based datacentre that can deliver a social work care case management system including a self-directed support capability for citizens to improve the impact that care and support has by

helping them to choose and control what type of social care services they get, when and where they get them, and who provides them. In conjunction with this, the solutions offered will support the digital capability for health and social care professionals involved in the direct delivery

of care – to be able to safely and securely access, update and share relevant information about the individual being cared for. It will encourage the use of decision support tools and services to support frontline practice, self-management and shared decision making, whilst establishing and implementing the standards required to deliver interoperability and

appropriate information sharing across different health and care systems.

II.2.5) Award criteria

Quality criterion - Name: Technical / Weighting: 70

Price - Weighting: 30

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2) Description

II.2.1) Title

Supplier delivered Software as a Service (SaaS) model.

Lot No

3

II.2.2) Additional CPV code(s)

- 48517000 - IT software package
- 48000000 - Software package and information systems

II.2.3) Place of performance

NUTS codes

- UKM - Scotland

II.2.4) Description of the procurement

A software as a service (SaaS) solution that can deliver a social work care case management system including a self-directed support capability for citizens to improve the impact that care and support has by helping them to choose and control what type of social care services they get, when and where they get them, and who provides them. In

conjunction with this, the solutions offered will support the digital capability for health and social care professionals involved in the direct delivery

of care – to be able to safely and securely access, update and share relevant information about the individual being cared for. It will encourage the use of decision support tools and services to support frontline practice, self-management and shared decision making, whilst establishing and implementing the standards required to deliver interoperability and appropriate information sharing across different health and care systems.

Section VI. Complementary information

VI.3) Additional information

Scotland Excel is procuring this framework for the use and benefit of its member Councils and associate members, together with the other bodies listed.

The 32 local authorities in Scotland are

<http://www.scotlandexcel.org.uk/home/Aboutus/Ourmembers/Localauthorities.aspx>;

Scotland Excel associate members

<http://www.scotlandexcel.org.uk/home/Aboutus/Ourmembers/Associate-members.aspx>;

The above is subject to each contracting authority entering into and maintaining a relevant membership agreement or other access agreement with Scotland Excel.

VI.2 - Information about electronic workflows.

Tenderers are advised that whether electronic ordering, invoicing and payment will be used or accepted is at the discretion of each Scotland Excel member Council or Associate Member which will be settled by them during the procedure for the call-off of a contract under this proposed framework agreement.

Subcontractors on whose capacity the Tenderer does not rely: Scotland

Excel will request the following information in the European Single

Procurement Document (Scotland):

- whether the Tenderer intends to subcontract any share of the contract to a third party;
 - list of the proposed subcontracts as far as it is known at that stage; and
 - what proportion/percentage of the contract does the Tenderer intend to subcontract.
- Subcontractors on whose capacity the bidder does not rely will be subject to the rules regarding Exclusion as set out immediately above.

In line with Clause 72 of the Public Contracts (Scotland) Regulations 2015, contracts and framework agreements may be modified without

a new procurement procedure. Details of the situations where changes may be made are contained in the Procurement Documents generally and within the General Conditions of Contract and the Special

Conditions of Contract.

Consortium bid participants will be jointly and severally liable for the performance of the contract.

The buyer is using PCS-Tender to conduct this ITT exercise. The Project code is 17206.
