II.1.4) Short description

NHS Norfolk and Waveney ICB sought expressions of interest for the provision of a Discharge to Assess: Reablement and Recovery Pathway in Care Homes within Central Norfolk.

NHS Norfolk and Waveney ICB sought to commission 6 beds in a suitable Care Home to deliver a Reablement and Recovery pathway. This will form part of our Central Norfolk intermediate care bed model and be supported by Norfolk Community Health and Care NHS Trust (NCHC).

This pathway is for individuals registered to a Central Norfolk GP (ie; North Norfolk, South

Norfolk and Norwich practices), who are 65 years and over with moderate cognitive decline and who are identified to require a short period of reablement and recovery in an appropriate bedded setting to enable discharge home/usual place of residence (UPOR) or suitable long term placement, following an Acute Hospital admission.

The pathway will include an in-reaching multi-disciplinary team (MDT) comprising; Physiotherapy, Occupational Therapy, Social Care and Primary Care with operational delivery through NCHC. An expected date of discharge will be agreed on admission, supported by a patient centred reablement plan together with weekly MDT meetings to enable recovery and progression of discharge plans.

The Contract will be for a period of 2 years and 4 months with the option to extend for up to an additional 1 year.

The service is priced at £1,200 per bed per week.

Prerequisites

The Care Home included in any bid must be within a 5 mile radius of the Norfolk & Norwich University Hospital.

The Care Home included in any bid are required to have six beds available (on the ground floor) from 1st December 2024.

The Care Home included in any bids must be registered with the Care Quality Commission (CQC) for the delivery of Dementia care.
