VII.1.4) Description of the procurement:

NEPO used an open procedure for the procurement of this Framework Contract. The Framework Contract consists of two lots. Tenderers were evaluated in accordance with the award criteria contained within the Invitation To Tender documents. The most economically advantageous Tenderer(s) for each lot was awarded on to the Framework Contract.

Upon completion of the Tender evaluations, NEPO combined the final marks for both quality and price and evaluated Tenders according to the score. NEPO have awarded a total of two suppliers for lot 2 Corporate Payments.

NEPO does not give any guarantee and/or warrant the actual value of the services (if any) which will be placed with the successful supplier by any Contracting Authority using the Framework Contract pursuant to this process and accepts no liability thereof. In accordance with the Framework Contract, each Contracting Authority will enter into a call-off contract. The call-off contract is to be entered into by both the Contracting Authority and awarded supplier and will be based on the terms and conditions of the Framework

Contract.

VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

The spend range tiering and supplier rebate values in the Pricing Schedule for Lot 2 - Corporate Payments are modified

VII.2.2) Reasons for modification

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

Due to market expectations in relation to payment term rebates for Commercial Procurement Cards, NEPO has taken the decision to modify the spend band tiering in the Pricing Schedule for Lot 2 - Corporate Payments and accept revised supplier rebate values. The modifications shall ensure that the framework agreement remains relevant in the public sector marketplace. In accordance with Regulation 72(1)(e) of the Public Contracts Regulations 2015, the modifications are not substantial and do not amount to a material change in the Framework Agreement or Services.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £6,053,000,000

Total contract value after the modifications

Value excluding VAT: £6,053,000,000
