Award of a contract without prior publication of a call for competition in the cases listed below

The services can be provided only by a particular economic operator for the following reason:

protection of exclusive rights, including intellectual property rights

Explanation:

These are branded patent protected medicines that are essential to patient care and are available from only one economic operator. The absence of competition is not a result of the artificial narrowing of the parameters of the procurement.

Additional deliveries by the original supplier

Explanation:

These essential medicines are required from this supplier to ensure continuity of patient care, specifically for homecare support. The absence of competition is not the artificial narrowing of the parameters of the procurement.
