II.1.2) Main CPV code

- 92222000 - Closed circuit television services

II.1.3) Type of contract

Services

II.1.4) Short description

AWARD -The works comprise of the Service, Maintenance and Repair of the Corporate & Housing CCTV Systems Inclusive of Town Centres, Libraries, Green Spaces, Housing sites and other Corporate sites. Purchase Orders will be provided on a call off bases from the Schedule of Rates, as and when the Contract Administrator requires site attendance. There will be no guarantee of any level of orders or amount of works to be requested by the Council in this contract.

The Council is seeking a single contractor to carry out the following work schemes:-

Preventative maintenance programme and responsive repair service for CCTV equipment.

Preventative maintenance programme and responsive repair service for network infrastructure.

Planned upgrade programme for the CCTV infrastructure and hardware.

The Council has undertaken a major upgrade to the existing CCTV system and infrastructure and plan to continue to grow the system. The forecasted Capital expenditure is between, £400,000 - £975,000. This will focus on building the wifi infrastructure, particularly in the North area of the Borough to provide live streams back to the CCTV Control Room, as many cameras are on standalone sites across the Borough and continue to upgrade and complete full system installations at sites across the Borough as and when requested and approved.

Tenders should note that ongoing planned works/ upgrades to the CCTV equipment and infrastructure are not guaranteed.
