Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Audiological Diagnostics, Implantable Devices, Accessories & Services 2024

II.1.2) Main CPV code

- 33100000 - Medical equipments

II.1.3) Type of contract

Supplies

II.1.4) Short description

Non-exclusive Framework Agreement for the supply to the NHS Supply Chain customer base for Audiological Diagnostics, Implantable Devices, Accessories & Services, and Audiological Equipment Products.

It is anticipated that expenditure will be in the region of £116m in the initial term, with an estimated total value of £245m over the full 2+2 year term. This is an approximate only and the values may vary depending on the requirements of those bodies purchasing under the FAG.

NHS Supply Chain intends to enter into arrangements under which it will be entitled to purchase supplies and/or services which it will make available for purchase by 1) any NHS Trust; 2) any other NHS entity; 3) any government department, agency or other statutory body and/or 4) any private sector entity active in the UK healthcare sector.

II.1.5) Estimated total value

Value excluding VAT: £245,000,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

Products within this lot include, but are not limited to: Cochlear Implants including Auditory Brainstem Implants, Bone Conduction implants and Middle Ear implants.

Certain products within this Framework Agreement sit under the NHS England Specialised Service Devices Programme (SSDP) (formerly known as the High-Cost Tariff-Excluded Devices programme) . Trusts who are commissioned to provide such specialised services in England are directed to purchase all their requirements through a national supply system through NHS Supply Chain.

Details of the product categories currently within scope of the NHS England Specialised Service Devices Programme (SSDP), can be found using the following link:

<https://www.england.nhs.uk/commissioning/spec-services/key-docs/medical-devices/>

In accordance with the specialised services commissioning policy, NHS England will determine which products are classified as excluded from tariff and which are made available under the NHS England Specialised Service Devices Programme (SSDP)

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

Applicants should refer to II.2 of this Contract Notice for further details in respect of appointment to the individual Lots across the Framework Agreement.

Applicants may bid for one, more than one or all of the Lots and Applicants should refer to the Invitation to Tender for more information in respect of this.

The term of contracts formed under the Framework Agreement may continue beyond the end of the term of the Framework Agreement itself.

NHS Supply Chain expects to provide successful Suppliers with the opportunity to offer additional savings to customers through the provision of discounted pricing, value added offerings and commitment initiatives.

NHS Supply Chain will share savings information in order to assist its customers with making informed procurement decisions. NHS Supply Chain intends to enter into arrangements under which it will be entitled to purchase supplies and/or services which it will make available for purchase by 1) any NHS Trust; 2) any other NHS entity; 3) any government department, agency or other statutory body (for the avoidance of doubt including local authorities) and/or 4) any private sector entity active in the UK healthcare sector. Only NHS Supply Chain can order from the Framework Agreement and enter into contracts under it.

Electronic ordering will be used and electronic invoicing will be accepted and electronic payment will be used. For the avoidance of doubt, and notwithstanding the estimate indicated at II.2.1, NHS Supply Chain does not guarantee any level of purchase through the framework and advises Applicants that the framework shall be established on a non-exclusive basis. Tenders and all supporting documentation for the contract must be priced in sterling and written in English. Any agreement entered into will be considered a contract made in England according to English law and will be subject to the exclusive jurisdiction of the English Courts. NHS Supply Chain is not liable for any costs (including any third party costs fees or expenses incurred by those expressing an interest, participating or tendering for this contract opportunity. NHS Supply Chain reserves the right to terminate the procurement process (or part of it), to change the basis of and the procedures for the

procurement process at any time, or to procure the subject matter of the contract by alternative means if it appears that it can be more advantageously procured by alternative means. The most economically advantageous or any tender will not automatically be accepted. All communications must be made through NHS Supply Chain's eTendering portal using the Message Centre facility linked to this particular contract notice.

III.1.2) Economic and financial standing

Minimum level(s) of standards possibly required

Parent company or other guarantees may be required in certain circumstances. Further details will be in the tender documents.

III.1.3) Technical and professional ability

Minimum level(s) of standards possibly required

The Contracting Authority reserves the right to require groupings of entities to take a particular form, or to require one party to undertake primary legal liability or to require that each party undertakes joint and several liability.

III.2) Conditions related to the contract

III.2.2) Contract performance conditions

The Framework Agreement includes obligations with respect to environmental issues and a requirement for successful suppliers to comply with the NHS Supply Chain Code of Conduct.
