Following feedback from potential Bidders, Midlothian Council (MLC) acknowledges the challenges in meeting the current client transport tender deadline of 11th March. To support you, we have extended the deadline by two weeks to 25th March, providing additional time beyond the existing four-week tender window.

Additionally, the Q&A period has been extended until 14th March. If you have any questions regarding the tender, please submit them via the PCS Q&A portal before this date.
