---

### **Section III. Legal, economic, financial and technical information**

#### **III.1) Conditions for participation**

##### **III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions

Economic operators may be excluded from this competition if they are in breach of any of the situations referred to in regulation 58 of the Public Contracts (Scotland) Regulations 2015.

##### **III.1.2) Economic and financial standing**

Minimum level(s) of standards possibly required

4B.1.1 Bidders will be required to have a minimum “general” yearly turnover of 600000 GBP for the last 3 years.

4B.2.1 Bidders will be required to have a minimum yearly "specific" turnover of 600000 GBP for the last 3 years in the business area covered by the contract.

4B.5 It is a requirement of this contract that bidders hold, or can commit to obtain prior to the commence of any subsequently awarded contract, the types and levels of insurance indicated below:

Employer’s (Compulsory) Liability Insurance = 5000000 GBP

Public Liability Insurance = 10000000 GBP

Product Liability Insurance = 5000000 GBP

### **III.1.3) Technical and professional ability**

Minimum level(s) of standards possibly required

— All tendered products must fully comply with the NHS Requirement included within the tender documents;

- 4.C.1.2 Bidders will be required to provide examples that demonstrate that they have the relevant experience to deliver the services/supplies as described in part II.2.4 of the Find a Tender Service Contract Notice.

— 4C.12 Bidders will be required to confirm that they have the required quality control institute certificates (or from agencies of recognised competence) confirming that products meet the following technical specifications or standards:

If awarded to the Contract Potential Contractors must provide evidence that tendered products are CE marked. Evidence should be in the form of certification issued by a notified body.

- 4D.1 Quality Management Procedures

1. The bidder must hold a UKAS (or equivalent) accredited independent third party certificate of compliance in accordance with BS EN ISO 9001 (or equivalent),

OR

2. The bidder must have the following:

a. A documented policy regarding quality management. The policy must set out responsibilities for quality management demonstrating that the bidder has, and continues to implement, a quality management policy that is authorised by their Chief Executive, or equivalent, which is periodically reviewed at a senior management level. The policy must be relevant to the nature and scale of the work to be undertaken and set out responsibilities for quality management throughout the organisation.

b. Documented procedures for periodically reviewing, correcting and improving quality performance including processes for ensuring that the bidder's quality management is effective in reducing/preventing incidents of sub-standard delivery. This must include the quality of output and general performance.

c. A documented process for ensuring that quality management is effective in reducing/preventing incidents of sub-standard delivery. This must include the quality of output and general performance. The bidder must be able to provide copies of their organisation's documentation procedures that meet current agreed good practice. These

must include the arrangements for quality management throughout the bidder's organisation. They must set out how the bidder's organisation will carry out its policy, with a clear indication of how the arrangements are communicated to the workforce.

d. Documented arrangements for providing the bidder's workforce with quality related training and information appropriate to the type of work for which this organisation is likely to bid. This will demonstrate that the organisation has in place, and implements, training arrangements to ensure that its workforce has sufficient skills and understanding to discharge their various responsibilities. These must include a programme of training that will keep the workforce up to date with required knowledge about quality related issues, including copies of job profiles; training manuals and records.

e. Documented arrangements that the organisation has a system for monitoring quality management procedures on an on-going basis. The bidder's organisation must be able to provide evidence of systematic, periodic review and improvement of quality in respect of output and general performance

f. Documented arrangements for ensuring that the bidders apply quality management measures that are appropriate to the work for which they are being engaged.

g. A documented process demonstrating how the bidder deals with complaints. The bidder must be able to provide details of how their organisation maintains records of any complaints received and how corrective measures are carried out to prevent reoccurrence.

### **VI.4.3) Review procedure**

Precise information on deadline(s) for review procedures

Economic operators should approach the contracting authority in the first instance. However, the only formal remedy is to apply to the courts:

An economic operator that suffers, or is at risk of suffering, loss or damage attributable to a breach of duty under the Public Contracts (Scotland) Regulations 2015 or the Procurement Reform (Scotland) Act 2014, may bring proceedings in the Sheriff Court or the Court of Session.
