Regional or local authority

I.5) Main activity

General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Laser Scanning and Modelling Services

Reference number

CT0946

II.1.2) Main CPV code

- 71315300 - Building surveying services

II.1.3) Type of contract

Services

II.1.4) Short description

The Council have identified the need for a 3-dimensional (3D) laser scanning and modelling Service Provider. The service shall allow for the development of 3D “digital twins” of the Council’s operational properties, improving property data management. The service is required to scan buildings before converting them into Building Information Modelling (BIM) output.

II.1.5) Estimated total value

Value excluding VAT: £400,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 72242000 - Design-modelling services

II.2.3) Place of performance

NUTS codes

- UKM75 - Edinburgh, City of

Main site or place of performance

The City of Edinburgh

II.2.4) Description of the procurement

3D Scanning and Modelling Services aim to provide:

- A more streamlined process than traditional 2D plan drawings
- Deliver up to date and accurate BIM, improving asset and property management as well as decision making
- Contributing to the Council's climate initiatives

The Service Provider is to offer end to end 3D Scanning and Modelling services. The Services will range from the undertaking of the scanning of buildings, creating desired BIM models and handover of point cloud data/storing of models for a designated period of time post project completion.

The Council has a range of buildings of varying size that will be required to be scanned, with the aim of completing 10 to 20 buildings per year depending on size and complexity of individual buildings. The service is required for four years. The Council may engage one or more providers depending on market availability which this PIN shall assist in understanding.

II.2.14) Additional information

The PIN is being utilised by the City of Edinburgh Council to assist in understanding the current marketplace and options available. We would be grateful if interested parties would complete the short questionnaire attached to the notice.

II.3) Estimated date of publication of contract notice

2 May 2022

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section VI. Complementary information

VI.3) Additional information

Please complete the attached questionnaire and return by email to Callum.Ewan@edinburgh.gov.uk by 15th April 2022.
