Regional or local authority

I.5) Main activity

Other activity

Transport Related Study - TfGM

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

A56 Streets for All Corridor Study

Reference number

DN602668

II.1.2) Main CPV code

- 73000000 - Research and development services and related consultancy services

II.1.3) Type of contract

Services

II.1.4) Short description

Assessment of the A56 corridor to develop design solutions to improve active travel and public transport improvements. This will require:

- Review of the Council's summary of national policy and guidance to ensure that it is up-to-date and accurate.
- Development of a set of corridor objectives for the corridor.
- Utilising high-level transport modelling to illustrate the likely impacts of future planned development which may impact the route.
- Undertaking of site visits along the route to help gain an understanding of its current weaknesses and potential opportunities, from a pedestrian, cyclist and bus user's point of view.
- A high-level assessment of the junctions / sections of the route and a high-level RAG scoring exercise.
- Development of a series of deliverable design solutions (to RIBA Stage 2) that meet the objectives of GM Streets for All, and provide value for money, for the route.
- A summary report which includes a high-level framework that sets out a series of overarching design principles for the route.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 71000000 - Architectural, construction, engineering and inspection services
- 73000000 - Research and development services and related consultancy services
- 79000000 - Business services: law, marketing, consulting, recruitment, printing and security

II.2.3) Place of performance
