Section II: Object

II.1) Scope of the procurement

II.1.1) Title

European Spot Gas Market Reports

II.1.2) Main CPV code

- 76100000 - Professional services for the gas industry

II.1.3) Type of contract

Services

II.1.4) Short description

NGN monitors daily gas prices in order to forecast monthly and annual shrinkage accrual spend and also validate invoices for the purchase of shrinkage gas. NGN are looking for a single supplier to provide us with daily European Spot Gas Market reports.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKE - Yorkshire and the Humber

II.2.4) Description of the procurement

This Expression of Interest (EOI) is issued by Northern Gas Networks (NGN) and looks forward to receiving responses of interest no later than the closing date of the 28th March 2022, 2pm

The aim of this EOI is to:

* Ensure we provide bidders with adequate information to submit a response to this EOI

* Provide NGN with a more detailed understanding of the interest within the market

The EOI process is the first stage of multistage procurement process and only suppliers who express an interest will be invited to the PQQ stage to be assessed against a selection criterion of pass and fail questions which will assess the capability and capacity of potential suppliers. Successful bidders at PQQ stage then be invited to the RFP stage where NGN will assess against award criteria.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

36

This contract is subject to renewal

Yes

Description of renewals

2 x 1 year renewal

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No
